

Angel Christmas Ornament Dedication

We would like to invite you, once again, to donate an Angel Ornament to the Elim Christmas tree in memory of a loved one.

Angel Ornaments should be Silver, Gold, or White. Our intention is to display these ornaments annually, so they cannot be fragile (no glass). If you wish, you may discreetly write your loved ones name on the ornament.

If interested, hang your Angel Ornament on the tree. Please complete the following information and drop off at the church office by December 20th, so your ornament dedication can be announced in the Christmas Eve program.

This Angel Ornament is in memory of:
